Skills/Interests

- Proficient in C# Programming Language
- Proficient in Unity Engine
- Proficient in Python Programming Language
- Proficient in MATLAB Programming Language
- Familiar with R Programming Language
- Familiar with Java Programming Language
- Familiar with HTML
- Active in the Minecraft modding community

Personal Qualities

- **Verbal Communication:** Ability to communicate clearly and effectively and at the appropriate level with people from different age groups. Demonstrated by customer service role at McDonald's, school leadership roles, and class representative positions at GCC.

- **Commitment and Dedication:** Willingness to provide ongoing contribution and commitment to improving school life at GCC. Demonstrated by volunteer work and service awards.

- **Collaborative Team Member:** Ability to work with team members. Demonstrated by jobs as McDonald's crew member, school and university group work assignments, "The Little Mermaid", "Beauty and the Beast" and "Fame Jnr." Musicals, school leadership and Student Voice activities, and university club executive positions.

- **Reliable:** Reliability as team member. Demonstrated by punctuality and efficiency while working at McDonald's and attending all school leadership meetings, musical rehearsals, and fulfilling university club executive obligations.

- **Honest:** Strong personal morals and ethics with a desire for doing things better. I am self-driven, self-motivated, and enthusiastic. Demonstrated by assisting with fundraising activities i.e. Carols Night, Night of Talent and Bush Dance with cash handling, working with others on events in the school community, and by holding a position as treasurer of several university clubs.
